

Unsafe Work & Conditions

Stop Work Authority

Report any activity or condition that you believe is unsafe to your Supervisor and area Safety Representative.

- Stop any work or activity that you are convinced places yourself, your coworker(s), or the environment in danger
- Immediately notify supervision/management when you stop work or an activity
- If you have a “stop work” issue that has not been resolved through established channels, contact the appropriate Safety Representative

You have:
The Responsibility
And the Authority!
